Dear Rowan,

RE: Request for CPD hours

Thank you for completing a CPD activity recognition application and forwarding the program for The Cardiac CT Course. We have reviewed your application and I am happy to advise that we will recognise CPD hours as follows:

The Royal Australian and New Zealand College of Radiologists (RANZCR) would like to advise that:

- **25 CPD hours** may be claimed for completing The Cardiac CT Course in 2024.
- For anyone who attends only part of this course, CPD hours may be claimed pro rata equivalent to the hours attended.

Please note that the allocation of these CPD hours does not constitute accreditation by the RANZCR and therefore cannot be advertised as being accredited by the RANZCR. The CPD hours recognised only apply to the above date in 2024. The CPD hours allocated to this event may be advertised as follows:

- *25 RANZCR CPD hours can be claimed for completing The Cardiac CT Course in 2024.*

Should you require any additional information please do not hesitate to contact the CPD team at cpd@ranzcr.edu.au or telephone +61 2 9268 9777.

Please don't hesitate to contact me should you require anything further.

Kind regards,
